Romeo Uwingeli

Self-driven and motivated software engineering professional with a strong record of delivering high-quality results in fast-paced, high-pressure environments. Combines hands-on full-stack development skills with operations and data support experience. Known for clear communication, sound problem-solving, and quick adaptation to new technologies and challenges.

EDUCATION

Bachelor of Software Engineering

Adventist University of Central Africa | 2024 – Present | Kigali, Rwanda

- Courses: Software Engineering

High School Diploma

Star School | Kigali, Masaka

- Courses: Mathematics, Physics, and Geography (MPG)

WORK EXPERIENCE

Operations & Data Support

Pundix Rwanda Limited | 06/2026 – Present | Kigali, Rwanda

- Data Management & Accuracy:** Organized company files and project records to keep data accurate, secure, and easy for the team to access
- Process Digitization:** Turned manual site notes into organized digital records, making reporting faster and improving communication across sites
- Data Analysis & Reporting:** Collected and analyzed daily site data using Excel and spreadsheets to build clear performance reports for management
- Financial & Quote Preparation:** Used data to create accurate price quotes, project cost estimates, and budget summaries for new construction jobs

Contact: Kagabo Egide - pundixrwanda@gmail.com

Customer Support & Systems Associate

Yego Innovision Limited | 08/2025 – 05/2026 | Kigali, Rwanda

- Transportation & Delivery Support:** Answered customer calls and used live GPS maps to find nearby drivers, helping people get rides and goods delivered quickly
- Emergency Response:** Handled urgent customer and driver issues quickly by checking car locations on the system and following safety procedures
- Endpoint Maintenance:** Kept office computers running smoothly through regular hardware care, software updates, and routine antivirus scans

Contact: Ndayishimiye Egide - negb.egide@yego.sg

Operation Support Officer

KARE Global Enterprise | 10/2023 – 05/2025 | Kigali, Rwanda

- Assigned tasks and monitored performance; delegated tasks to staff members and evaluated their performance
- Monitored budgets and tracked expenses and revenues to ensure profitability

Contact: Kagame Tonny - kgtonny7@gmail.com
